## GLOBAL VIEW ANALYTICS ACHIEVES GOLD PARTNER STATUS WITH ONESTREAM SOFTWARE

*New certification recognizes company's years of experience and customer success*

MORGAN HILL, CA, January 16, 2018 – Global View Analytics, Inc. has achieved OneStream Software's Gold Partner status for 2018. The designation is based on strict criteria for training consultants and implementing live customer solutions.

"OneStream's new partner levels were established to recognize firms that have more experience implementing OneStream solutions," said Craig Colby, Chief Revenue Officer of OneStream Software. "To qualify for the higher levels, our world-class partners must meet OneStream's strict criteria and have a proven track record of success. Global View Analytics has demonstrated their expertise across the enterprise and OneStream's Gold Partner status validates their achievements."

Global View Analytics supports OneStream's mission statement that every customer must be a reference and success. Investing in high-quality resources and consistently delivering valuable solutions are the key to achieving this goal.

"Global View has demonstrated the ability to deliver customer success and OneStream expertise to qualify at this level," said Global View's CEO, Lee Anne Spencer. "Global View started investing in OneStream almost five years ago, so our consulting team already has the required training and experience. We look forward to continuing and expanding our commitment to OneStream."
