### **OneStream Software Ranked in Top 500 for *Inc* Magazine's 35th Annual List of America's Fastest Growing Companies in 2015**

**NEW YORK, August 17, 2016** – *Inc.* magazine today ranked OneStream Software NO. 293 on its 35th annual Inc. 500, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment— its independent small businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 500.

"We are extremely honored to have made *Inc*'s prestigious top 500 list," said Tom Shea, President of OneStream Software. "This is our second company to be honored as an Inc. 500 fastest-growing private company. Previously, UpStream Software was a two-time honoree and we are really proud to have been honored again with a 3-year growth rate for OneStream Software of 1345%. We have been steadily and profitably expanding our sales, support and delivery offices nationally as well as globally. Our corporate performance management solution, OneStream XF, unifies and streamlines financial reporting, consolidation and planning and allows complex enterprises to implement sustainable process improvements and report with confidence. Coming in at position #293 is incredible and a testament to the quality and success of our product and the team of industry experts working at OneStream."

The 2016 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 23) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 433%. The Inc. 500's aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past three years, or about 8% of all jobs created in the entire economy during that period. Complete results of the Inc. 500, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).

"The Inc. 500 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 500 without building something great – usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 18 through 20, in San Antonio, TX. Speakers include some of the greatest entrepreneurs of this and past generations, such as best-selling author and strategist Tony Robbins, SoulCycle co-founders Elizabeth Cutler and Julie Rice, Cornerstone OnDemand founder, president and CEO Adam Miller, Marvell Technology Group director and co-founder Weili Dai, and New Belgium Brewing co-founder and executive chair Kim Jordan.

As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue.
