OneStream Software Recognized as a Visionary in Two Gartner Magic Quadrants

We believe these recognitions demonstrate breadth and depth of coverage in addressing financial close and FP&A requirements of medium to large organizations

ROCHESTER, Mich. — August 1, 2018 — [OneStream Software, LLC](#), a leader in Corporate Performance Management (CPM) solutions for the mid-sized to large enterprise, has been positioned a Visionary in both the Gartner Magic Quadrant for Cloud Financial Close Solutions¹ and the Magic Quadrant Cloud Financial Planning and Analysis Solutions².

The Gartner Magic Quadrant Reports evaluate software vendors on two dimensions – ability to execute and completeness of vision. Ten vendors were evaluated in the Magic Quadrant for Cloud Financial Close Solutions and 16 were evaluated in the Magic Quadrant for Cloud Financial Planning and Analysis Solutions.

“OneStream Software is especially proud of our positioning in the Gartner Magic Quadrant reports. We feel that our recognition in both reports is a strong validation of our objective to provide a complete and unified platform featuring an adaptable solution marketplace that addresses the financial consolidation, reporting, planning, analysis and data quality needs of medium to large enterprises globally,” said Tom Shea, CEO at OneStream Software.

Magic Quadrant for Cloud Financial Close Solutions>>[hyperlink](#)<<

OneStream Software has improved its position on the completeness of vision axis in the Magic Quadrant for Cloud Financial Close Solutions in comparison to its position in the previous version of the report.

“In the Magic Quadrant for Cloud Financial Close Solutions, we believe Gartner named OneStream Software as a Visionary based on the quality of our customer references, our rapid growth, ability to support the needs of larger enterprises, and the robustness of our account reconciliations solution,” said Shea.
