PETER FUGERE JOINS ONESTREAM SOFTWARE AS CHIEF ANALYTIC DESIGNER FOR THE ONESTREAM XF UNIFIED ENTERPRISE PERFORMANCE MANAGEMENT SOLUTION

ROCHESTER, MI – July 14, 2013.

Peter Fugere, Former Vice President of Consolidation and Reporting Practice at Edgewater Ranzal, has joined OneStream Software LLC as the new Chief Analytic Designer. Mr. Fugere has been working with the Hyperion products, specializing in the consolidation tools, for the past 13 years. Peter has led design and project management while participating or leading in over 200 implementations of various Hyperion products.

According to Craig Colby, Vice President of Marketing, “Peter will drive quality and add immediate impact to OneStream Software. His experience and skill set are a perfect fit for OneStream in our mission to deliver customer success.”

“We are ecstatic that Peter chose to join OneStream in our mission to change the game for financial applications,” says Tom Shea, President OneStream Software LLC. “Peter is recognized as a thought leader within the consulting community and has experience delivering value to the most complex customers in the industry.”

Peter has received several awards while working at Hyperion, including Consultant of the Year (2004), before he left to work for Vertical Pitch. In 2010, Peter was awarded an Oracle ACE award for his work with the EPM products. Peter was one of only three Oracle ACEs specializing in HFM in the world.

In 2011, Peter authored the first book on the Hyperion applications called, *Oracle Hyperion Financial Management Tips and Techniques: Design, Implementation & Support* published by McGraw Hill. Peter holds a Bachelor of Arts in Economics from the University of Massachusetts, Amherst, and a Masters in Business Administration from Northeastern University, Boston, Massachusetts.
