OneStream Software Recognized as One among the 20 Most Promising Corporate Finance Tech Solution Providers in 2016 by CIOReview

FREMONT, CA—July 1st, 2016— OneStream Software, has been selected as one of the 20 Most Promising Corporate Finance Tech Solution Providers in 2016 by CIOReview.

"We are pleased to honor OneStream Software for developing one of the most widely used corporate performance management solution in the marketplace," said Jeevan George, Managing Editor of CIOReview. "OneStream Software exhibits its proficiency in creating a truly unified financial platform that could be extended to meet multiple financial needs without any technical complexities."

OneStream Software specializes in Corporate Performance Management, Financial Consolidation and Reporting, and Financial Planning. They provide complete, timely and accurate reporting, planning and analytics integrated in one software solution. Their product OneStream XF can be deployed on-premises or in the cloud with their XF Cloud deployment option, and its value can be extended with their XF Marketplace solutions such as Account Reconciliation, People Planning and Close Manager. OneStream's CPM solution can benefit financial companies by aligning more quickly and easily according to changing business requirements.

About OneStream Software

OneStream Software is a privately held software company created by the same team that invented the leading financial solutions of the last decade. We provide a unified Corporate Performance Management (CPM) platform which enables the enterprise to simplify financial consolidation, reporting, budgeting and forecasting for complex organizations. Powerful extensibility enables the enterprise to deliver additional analytic solutions without adding any technical complexity. By delivering multiple solutions in one application, we offer increased capabilities for financial reporting and analysis while reducing the risk, complexity and total cost of ownership for our customers. We are driven by our mission statement that every customer must be a reference and success. For more information, visit OneStream Software www.onestreamsoftware.com
