FOR IMMEDIATE RELEASE

OneStream Software delivers Financial Consolidation and Reporting, Budgeting and Data Quality for Federal-Mogul Holdings Corporation

ROCHESTER, Mich.—May 30, 2014—OneStream Software LLC, providing unified [Enterprise Performance Management](#) (EPM) solutions for large enterprises, today announced it has delivered a corporate financial consolidation and reporting data quality, budgeting, variance analysis and HR solution for Federal-Mogul Holdings Corporation.

“OneStream is pleased to announce the successful implementation of OneStream XF’s Financial Consolidation and Reporting, Budgeting, Variance Analysis, HR collection and Data Quality solutions for Federal-Mogul Corporation,” said Tom Shea, president, OneStream.

“OneStream’s Finance platform allows Federal-Mogul to deliver more solutions for finance without adding technical problems and integration layers,” said Dawn Laridon, director, global financial management, Federal-Mogul. “OneStream’s guided workflows and powerful consolidation and reporting engine offer a turn-key solution to 800 business users. Faster and better analysis tools and more financial intelligence allow our users to more quickly understand the business. From a corporate perspective, OneStream delivers improved intercompany elimination, more detailed audit capabilities and fewer points of maintenance”, Laridon added.

About OneStream Software LLC
