FOR IMMEDIATE RELEASE

OneStream Software Selected by Melrose plc to deliver Financial Consolidation and Reporting and Data Quality

ROCHESTER, MI—January 27, 2014—OneStream Software LLC, providing unified [Enterprise Performance Management](#) (EPM) solutions for the medium and large enterprise, today announced it was selected by Melrose PLC to deliver a corporate financial consolidation, reporting and data quality solution.

“OneStream is pleased to welcome Melrose plc to its growing list of global customers. I believe this is a testament in our ability to successfully support the complexity and scalability of the largest and most complex reporting requirements,” says Tom Shea –President, OneStream. “OneStream’s Unified Financial Intelligence and Extensible Model will allow Melrose to deliver maximum value to corporate reporting along with operational value to each diverse business unit. OneStream’s guided workflows and powerful consolidation and reporting engine offer a turn-key solution to business users and a lower TCO for group reporting” says Jason Care, Group Systems Manager

About Melrose PLC

Melrose buys good manufacturing businesses with strong fundamentals whose performance can be improved. Melrose finances its acquisitions using a low level of leverage, improves the businesses by a mixture of investment and changed management focus, sells them and returns the proceeds to shareholders
