

OneStream Academy Terms and Conditions

Please read these Terms and Conditions carefully. By accepting these Terms and Conditions or using, or continuing to use, OneStream Academy, you will be bound by these Terms and Conditions. Where you access or use OneStream Academy for, or on behalf of, an employer or similar organization, you bind the employer or similar organization to these Terms and Conditions. Words like “you,” and “your” mean the person accessing or using OneStream Academy, and, if such person does so for, or on behalf of, an employer or similar organization, such words include the organization.

“OneStream” and words like “we,” “our,” and “us” mean OneStream Software LLC, a Michigan limited liability company.

These Terms and Conditions govern your access to, and use of, OneStream Academy.

OneStream grants to you a non-transferable license to use OneStream Academy. The videos and documentation and all other content in OneStream Academy shall be used solely for your internal training purposes only and cannot be resold, sublicensed, or used for, or for the benefit of, any third party not bound by these Terms and Conditions

1. OneStream Academy is, and contains, OneStream’s confidential information, You may not disclose, share, or provide any content of OneStream Academy to any third party that is not bound by these Terms and Conditions.
2. You may use OneStream Academy solely for the purpose of training for, and the use of, OneStream goods, services, and software that you or your organization have acquired from OneStream under the appropriate license or other agreement.
3. Nothing in OneStream Academy is intended to constitute or create any representation, warranty, or covenant on the part of OneStream about OneStream XF or any other good, service, or software of OneStream. The sole representations, warranties, and covenants of OneStream regarding such subject matter are in the written and signed license and other agreements signed by OneStream. OneStream Academy is not itself a part of the Documentation (as that term is defined in OneStream’s license and other agreements).
4. OneStream has made reasonable efforts to present the material accurately given the current information available when the course was created. However, it is not possible or even reasonably practical for all variables posed by on-the-job application of this information to be covered in OneStream Academy. Neither the OneStream Academy content creators nor the OneStream Academy administrators assumes responsibility for errors, omissions, or for damages resulting from the use of the information contained herein. However, the information contained in OneStream Academy is believed to be accurate.
5. OneStream reserves the right to refuse, limit, or condition access to OneStream Academy as OneStream deems appropriate.
