

ONESTREAM

CLASSROOM

Level 2 Studio

Course Description

This one-day, hands-on course covers the OneStream Studio Advanced Report Writer. This class focuses on how to use Studio to apply advanced formatting to Cube Views as well as reports used in MarketPlace Solutions such as People Planning and Reconciliation Control Manager.

Who Should Attend

Only expert administrators who will write reports using Studio and are comfortable with OneStream's report building functionality.

Prerequisites and Advanced Preparation

This is not a class for beginners. Students should have attended the Application Build for Administrators class, have experience working with reports in OneStream and understand how Cube Views and Dashboards are created and used.

Registration

Training registration and payment are completed through our online registration system via the OneStream University website: www.onestreamsoftware.com/services/training. Payments can be made by credit card or wire transfer. Once registration is complete, you will receive a training confirmation and a receipt.

Complaints should be directed to training@onestreamsoftware.com or OneStream Support Portal at +1 (844) 663-3474.

Class Size

Public classes require a minimum of three students registered within seven days of the class start or they may be cancelled at OneStream's discretion. Once the registered class size reaches its limit (*differs by location*), it will be closed to additional students.
