

Exhibit Concierge Program

Our commitment to quality starts with customer satisfaction. The Tiger **Storage and Exhibit Preview Program** is just another way that we make sure our customers are happy. Just like the concierge at a hotel, our goal is to make sure you have the best experience possible.

Keep your investment safe and ready to use at your next show with our **Peace of Mind** and **Preferred Freight** programs, which are designed to save you time, frustration, and money.

Tiger's storage services aren't just for Tiger products, either! Whatever display materials you use, keep them together and safe in our warehouse. **Something broken? Don't worry, we'll make it whole again**, no matter what company you bought from.

Peace of Mind Program:

- Because we set up your exhibit in its entirety, any issue with your exhibit is caught before it ships creating a low-stress setup on show site.
- Preview photos are sent to acknowledge work and to reduce stress.
- We keep a database of photos of all packs to ensure timely resolution of occasional issues that occur on the show floor.

Preferred Freight Program:

- Our Storage clients get preferred freight rates, which sometimes can save you 40% versus Fed ex and UPS freight.
- Tracking notifications when exhibits ship and are received at destination.
- Prepared BOL for after show shipments.

Monthly Storage:

- **Mini Case** \$35 per case
- **Large Case** \$50 per case
- **Miscellaneous Items** are quoted on a piece-by-piece basis.

In and Out fee/Preview fee to ensure exhibit quality and function:
