# How IMPULSE used WoCo HRMS

to go from paper to paperless in 2 weeks!

## About IMPULSE

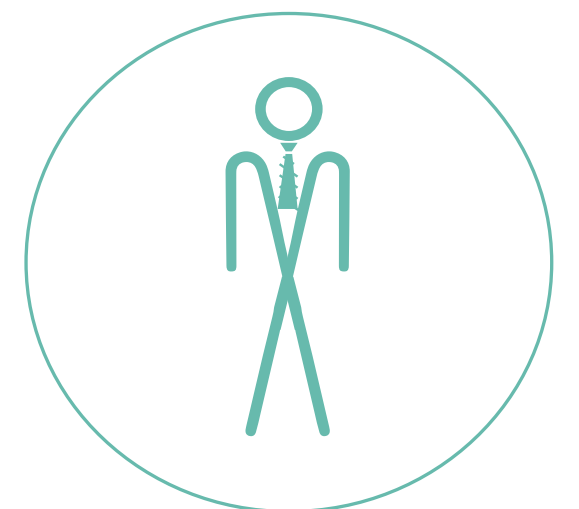

Impulse is a supply chain management organisation that provides truly comprehensive apparel and fashion sourcing services. Impulse offers buying services to a host of multi-national clients, mainly retailers and wholesalers. Previously, Impulse had always managed their Human Resources on spreadsheets and wanted more visibility into the most their important assets – people!

300+ Full Time employees

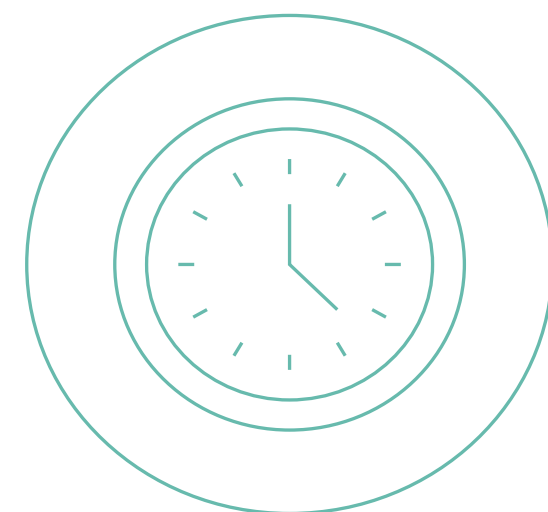

50+ Part Time employees

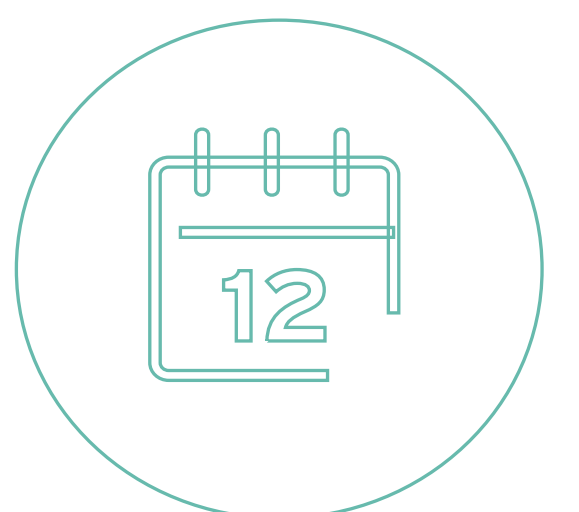

50+ Consultants

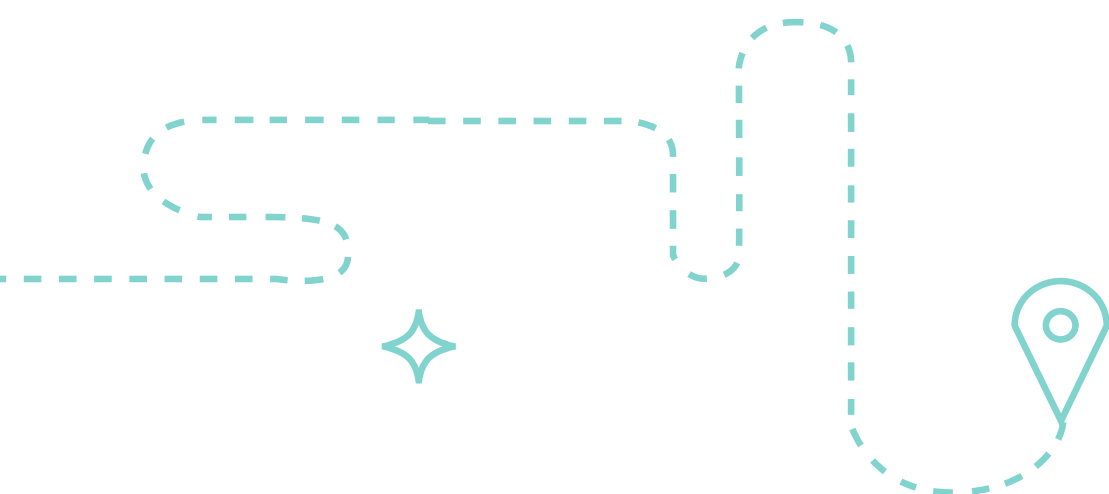

5 Office Locations

5 Work shifts

7+ Leave Policies

# Testimonials

Anshuman Bhattacharya

General Manager – Corporate Human Resources

"WoCo has enabled complete visibility across our diverse workforce. Their highly intuitive and user-friendly solution fits perfectly with the dynamic ways of working of our organization"

Rohit Joshi

Senior General Manager, Commercials

"WoCo is not just an effective Biometric HRMS Tool -It is a single platform and a great system to plan one's own work and monitor team work schedule/attendance. It ensures you have both visibility to work assigned/progress plus Key Event Calendar."

# Our Mission

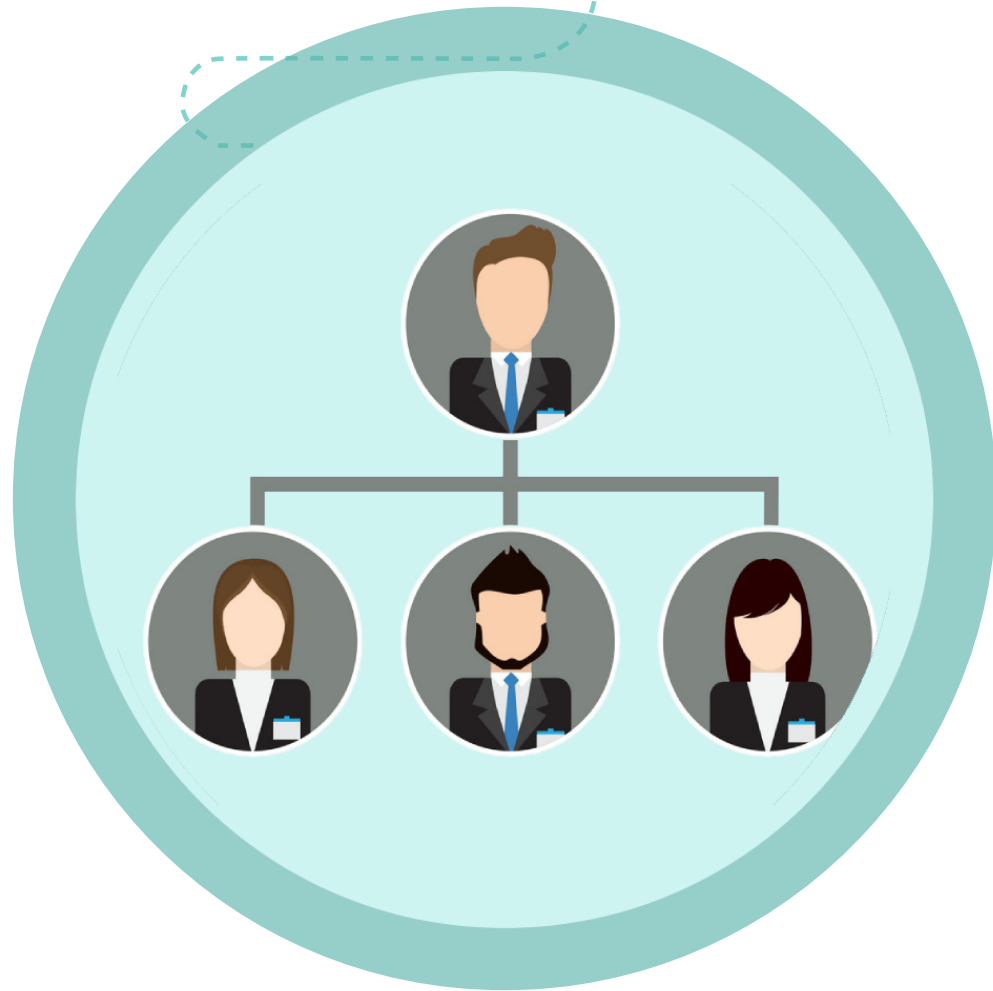

To create people friendly solutions for Employee first organisations

When you choose work companion, you get more than just a HRMS tool. You get our commitment to constant innovation and our dedication to provide simple and constructive solutions to your most tedious HR pain areas.
