Care You Can Count On

Specialized Care for General Surgery

No matter the procedure, the need for surgery can be unsettling. The physicians and nursing staff of Lane Surgery Group recognize this and are committed to making your surgical experience as seamless and comfortable as possible. Not only will you find highly qualified and experienced surgeons at Lane, you'll also find compassionate care.

Ask Questions

When you choose to have your procedure performed at Lane, you can expect to be guided every step of the way. It is our goal to ensure that all of your questions are answered and your concerns eased. You'll have many opportunities to speak with nurses and your surgeon in the weeks and days leading up to your procedure, as well as afterward.

Whether your surgery is done on an outpatient basis or requires a hospital stay, you'll find a warm, professional and caring atmosphere. We place great emphasis on the needs of our patients at each and every stage of the process, from pre-op testing and preparation to postoperative care, you'll experience our best.

Lane Surgery Group

Lane Surgery Group is a department of Lane Regional Medical Center. Our experienced surgeons provide a wide range of inpatient and outpatient surgeries to meet the needs of our patients. Their expertise includes traditional as well as laparoscopic surgeries.

A few of our commonly performed surgical procedures include:

- Anti-reflux surgery and hiatal hernia repair*
- Appendectomy*
- Benign and malignant soft tissue tumors
- Breast cancer and benign diseases of the breast, including sentinel node biopsy
- Cholecystectomy (gallbladder removal)*
- Colon operations for cancer & diverticular disease*
- Hemorrhoid removal
- Hernia repair (abdominal wall and inguinal)*
- Lower GI endoscopy (colonoscopy)
- Releasing of peritoneal adhesions*
- Skin/soft tissue
- Small intestine surgery*
- Spleen
- Stomach surgery*
- Surgery of the thyroid and parathyroid*
- Upper GI endoscopy (EGD)

****Majority performed using minimally invasive and laparoscopic techniques.***

Insurance

Lane Surgery Group accepts most commercial insurance, Medicare, Medicaid, and self-pay. Our team will help you determine your insurance coverage for your surgery and afterwards file your insurance, so please bring your insurance cards with you.
