Consult with your C.H.I. Dealer for specific warranty coverage as each model varies in coverage.

APPEARANCE PACKAGE

All hardware, including struts and track, is powder coated, creating a complete garage door system that is functional and creates a lasting impression.

C.H.I. COLOR MATCHING

Our in-house powder coating provides 100's of color options and can add another layer of protection from the outside elements. Custom Sherwin-Williams paint formulas are also available to allow you to match your home's trim or siding with your C.H.I. door.

Powder Coating is not available on all models, refer to your local C.H.I. Dealer for more information.

WIND LOAD

These garage doors are designed, tested, and built to the most rugged specifications. Available sizes and options will vary between models. Ask your local C.H.I. Dealer about our full line of windload rated doors.
