# C.H.I. Overhead Doors - Appearance + Endurance Packages

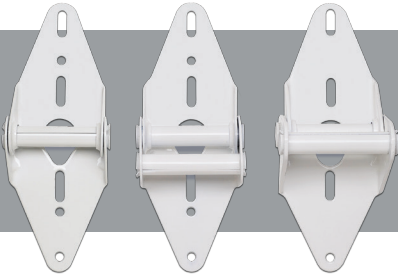

## Appearance Package

The inside of the garage can function in many capacities, from social gatherings to business services. C.H.I. Overhead Doors understands the importance of presenting a clean, complete look inside and out. With that in mind C.H.I. developed the Appearance Package. All hardware, including struts and tracks are powder coated white. This is a great way to create a complete garage door system that is not only functional but also makes a lasting impression.

## Endurance Package

Garage doors are used more today than in years past, making it more important than ever to have a door you can rely on and function when you need it most. With the Endurance Package created by C.H.I. Overhead Doors your garage door will come equipped with 25,000 cycle springs, a Lifetime Warranty to the original homeowner on all hardware and springs, plus everything that is included in the Appearance Package. Take advantage of this opportunity to protect your investment and enjoy your C.H.I. garage door for years to come.

The Endurance Package is only available in Models 2216/4216, 2217, 2283/4283, 2284, 2298/2296/2294/2294 flush, 5216/5916, 5283/5983, and 2701/2702/2703/2751/2752.

### Hinges

Powder coating of the hinges adds a clean look and puts the finishing touch to the inside of your garage door.

### Nylon Rollers

One of the highest quality rollers on the market. Your garage door will operate quieter than ever before.

### 25,000 Cycle Springs

These heavy-duty, high-cycle springs ensure a longer life expectancy for the entire garage door system.
