

WHO ARE WE?

FuseSchool is a global Open Education charity brought to life by leading Social Learning organisation Fuse Universal. Our mission is to provide everyone in the world with top quality education for free.

Given the current situation with the Coronavirus pandemic, we want to support you and your children and make sure they are continuing to learn at home, while schools are closed.

Let's get started!

We have covered more than 800 topics of GCSE level

in **BIOLOGY** **PHYSICS** **CHEMISTRY** **MATHS**

in our fun and engaging bite size videos.

They are free and available to anyone who wants to learn.

- [Simply sign up to fuseschool.org](https://www.fuseschool.org)

FAQs

Who is it for?

Do I need to be a teacher to sign up?

- Our videos are for everyone!

Whether you are a student, a teacher, a parent or just someone who wants to learn Science and Maths.

How much does it cost? - It's FREE! We promise

What year groups/curriculum does it cover?

- Our videos are based on the UK's curriculum and cover GCSE level Chemistry, Biology, Physics and Maths.

What languages is it in?

- All our videos are in English. But we also have a YouTube channel (FuseSchool - Global Education) and you can take advantage of YouTube's automated translations (subtitles) and watch them there.

Do I need any special software to use it? - Nope!

Just log in and start watching our videos on www.fuseschool.org. You can even download them.

How do I sign up? - Simply go to www.fuseschool.org, click on a "sign up" button, enter your email, username and password, and log in to start browsing through our content.
