TRANSFORMATIONS OF MANY KINDS

We've recently changed our name to better reflect our mission as a full Life Plan Community with a continuum of care. Formerly "The Apartment Community," we are now "The Esquiline, a Life Plan Community at the Shrine."

And that's not the only change we're making to our stunning campus. We're undergoing an exciting transformation, to include:

- 34 new independent living homes, including 10 spacious courtyard homes and 24 beautifully designed apartments in a new three-story building
- New and renovated common spaces, offering more opportunities for learning, growth, relaxation and entertainment
