# USER GUIDE (WEB VIEW)
## Getting Started

"Home" Tab

- See an overview of your service hours logged
- Easily log your hours with the click of a button

"Activity" Tab

- See every submitted service log, and whether or not it has been approved
- Access and edit all service logs

"Friends" Tab

- Find friends from your organization and connect
- Search added friends to see an overview of their service
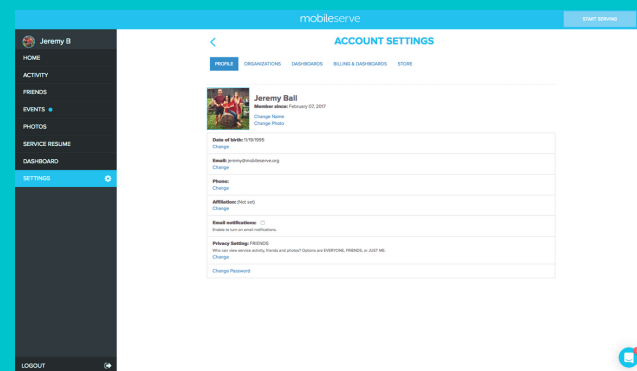

"Events" Tab

- See an overview of events you have been invited to
- See event details, and RSVP so the admin knows if you can attend!
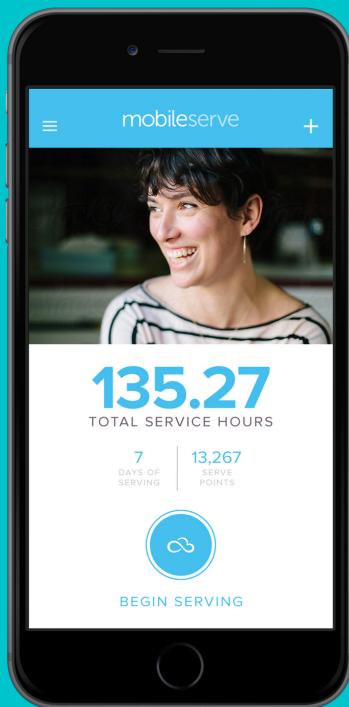

"Photos" Tab

- See all submitted photos you have uploaded
- Click any photo to see the associated story and service log

"Settings" Tab

- Update your profile picture
- Change your date of birth
- Edit privacy settings

- **Go mobile and access your MobileServe account from your smart phone! Download the app on the App Store or Google Play to access each tab on the go!**
