

IBS 2020 Demonstration Schedule

10:30 AM Meet New ConstructionOnline™ 2020

See the latest evolution of our award-winning project management software, featuring new tools like Time Tracking, Advanced Estimating, Cost Codes, Inbound Project Emails, and much more.

**TUE
21**

2:30 PM Redline™ Planroom + Samsung Flip™ - Touch and Go

Come see the exciting new Redline Planroom - featuring new markup and project management features - on the Samsung Flip 2 interactive whiteboard, an advanced, interactive digital display designed for collaboration.

3:30 PM Scheduling & GamePlans™ in ConstructionOnline

Keep your team on task and on time with automated GamePlan emails. GamePlans are customized to only show the tasks, to dos, events, RFIs and more that the recipient has been assigned to, so nothing gets overlooked.

10:30 AM Introducing New Redline™ Takeoff

Come see the our brand new cloud-based takeoff tool, Redline Takeoff. Learn how to get quick, accurate measurements from your plans for detailed cost calculations so you can bid your jobs with confidence.
