

FINANCIAL CONTROLLER (m/f)

Heerlen, Netherlands

Who are we?

E&C Consultants is an international energy procurement consultancy. Our clients are the biggest industrial and professional companies all over the world.

Although we serve more than 200 clients in all continents, we remain a small, young and dynamic entrepreneurial company - to find out more about us visit our website on www.eecc.eu or contact us at hr@eecc.eu

What will you do?

- You will become a part of the Financial Controlling team – area of the E&C Group providing data management and financial controlling
- You will be working with data of international clients regarding energy consumption and cost with the aim to support clients in saving money / spending less money on energy
- You will focus on client's sites in Netherlands and Nordic countries to check validity of invoices, monitoring spend vs. budget, evolution of energy consumption, capacity/tariff optimization, etc.
- You will have your own portfolio and become an expert in financial controlling of energy data
- You will be responsible for setting up and updating energy budgets for our clients
- You will follow up on different energy price parameters in different countries
- You will be responsible for developing and preparing various energy data You will enjoy the empowering spirit of a small and dynamic team!

You are the match if:

- You present “can do” attitude combined with enthusiasm and drive for new challenges
- You are excellent at creating and working with advanced Excel sheets
- You speak Dutch, your professional English is at a high level; German will be a plus
- You are eager to learn, and you learn quickly
- Accuracy and detail-focus are your main characteristics

What do we offer you?

- In-depth training and support from energy enthusiasts
- Opportunity to work in a dynamic international environment.
- Possibilities to make a career in the exciting world of energy
- Great deal of independence in organizing your work.

In the first round of interview we give you a choice to come to the office & run standard interview or to share a video with us, where you will tell us about yourself and answer questions, we share with you upfront.
