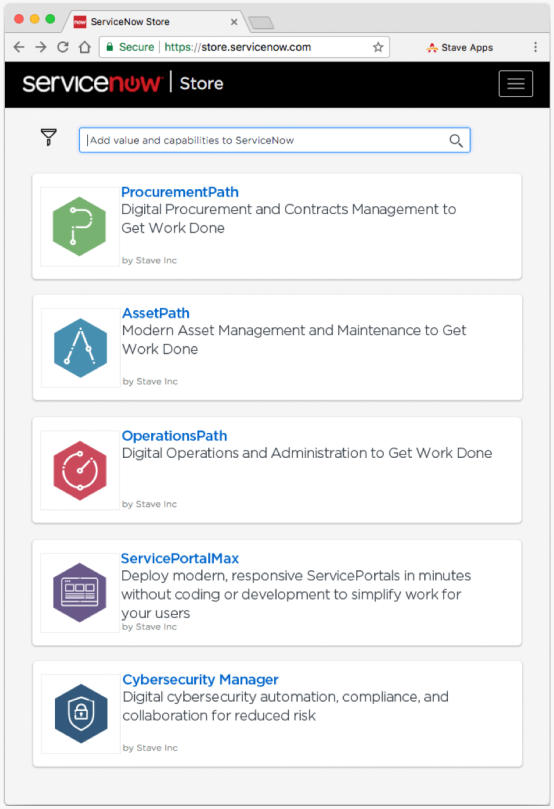
Changing the way you use ServiceNow

We're *Software*, Not Professional Services



Stave is the Leader in the ServiceNow Store

Stave applications extend the ServiceNow Platform to help you maximize your investment in the platform. Our applications pick up where ServiceNow left off, to provide a true platform experience for different business units across the organization.

Stave Benefits

Our Value to Every Customer

Rapid Deployments

With Stave Applications, you are able to get up and running a lot quicker than a traditional ServiceNow custom application or independent software purchase.

Simple Configuration

No more customization. Stave Applications use existing ServiceNow technology so ServiceNow administrators can make needed configuration changes with just a few clicks.

Certified & Scoped

All of our applications are scoped and certified by ServiceNow. This means you get managed updates and support included with your purchase. Your application will upgrade when you upgrade.

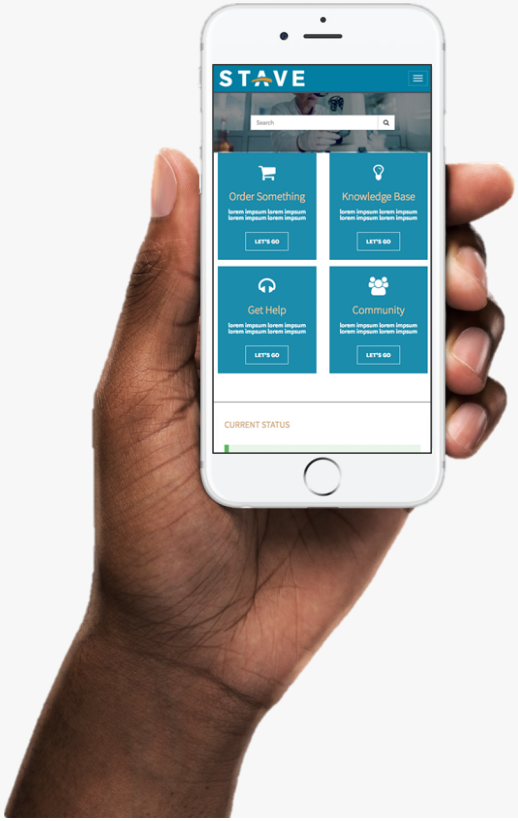
PortalMax Features for Admins

Deploy ServiceNow Portals

Reduce Deployment Time

Achieve value quickly with our turn-key portals that can be installed in minutes on ServiceNow. Deploy a fully-configured Service Portal within a week's time.



Configurable Styles

Match your company's branding, colors, and "look" and add graphics in a snap.

Drag-and-Drop Editing

Any admin can make configuration changes to your portal, eliminating the need for expensive designers.

Responsive Design

Portals look and work great on any screen size and render beautifully everywhere from large monitor screens to mobile phones.

PortalMax Benefits
