## SMART START

Smart Start is a beginners plan for fitness that is based on scientific research. Follow this simple approach to guarantee that your first steps to fitness are not your last.

**Start Slow**— don't push your body too soon. It's ok to stop working out when you've had enough.

**Build Gradually**— aim toward completing full workouts as your fitness builds.

**Mix It Up**— mix strength, cardio and flexibility training options and learn what workouts consistently motivate you to get moving.

### Aging Athlete (60 min. - Level I-III)

This class is geared for ages 40+. You will work to improve joint mobility and range of motion as well as overall strength and conditioning which are key to performing normal daily activities. *Sprint Lanes*

### BODYPUMP™ (60 min. - Level I-III)

The original barbell workout that strengthens and tones your entire body. Scientifically proven to be the fastest way to lose body fat, you'll use low weight loads and high repetitions to burn fat, gain strength and quickly produce lean muscle mass. *Auxiliary Court*
