

Gumdrop

2020 EDU Product Catalog

Why Gumdrop?

Rugged protection - Gumdrop offers the best device protection and tech accessories to support superior digital learning and mobile user experiences. Our cases are built to withstand drop and compression damage and offer best-in-class drop protection of up to 4 feet.

Coverage for all device types - By maintaining strong relationships with device manufacturers such as Dell and HP, Gumdrop is uniquely able to offer cases for new devices at launch.

Custom-fit solutions - Our exclusive designs combined with our unique, rugged material specifically conform to the shape of all devices offering multi-layer protection, making them the toughest and most durable cases on the market.

TechShell Authorized - Gumdrop is the first major case provider to become TechShell Authorized. This recognition ensures that Gumdrop Cases will have the best fitting, highest quality molded cases on the market. To find out more, visit techshellauthorized.com

Improve your resale value - Always-on means always protected! Extend the life of device assets and optimize IT spend by lowering damage rates while devices are in-use.

Education pricing - We offer the best value and will work with schools to find a solution that fits your budget.
