KEY FEATURES:

- **CONVERTABLE COVERAGE:** The rigid, secure casing moves along with your device, keeping edges protected at all angles while leaving full access to ports and media controls.
- **BUILT TOUGH:** Dual material construction for multiple layers of shock absorption, with reinforced rubber bumpers adding extra protection to the delicate corners.
- **SLEEK DESIGN:** The clear polycarbonate shell protecting the top and bottom of the case allows you to personalize your device with labels, logos, asset tags and more for quick and easy recognition.
