log out

The screenshot shows the Wixie primary interface with several annotations:

- Home icon:** A green arrow points to the home icon with the text "open assignments, projects & templates".
- Untitled text box:** A green box highlights the "Untitled" text box.
- Share and Print icons:** A green box highlights the "Share" and "Print" icons with the text "share and print always available".
- Page, Text, and Image icons:** A green box highlights the "Page", "Text", and "Image" icons. A green arrow points from the "Text" icon to a text box on the canvas with the text "new text handles for size, rotate and text-to-speech".
- Image button:** A green arrow points from the "Image" icon to an "image options dialog" window. The text "image button opens image options dialog" is placed above the dialog.
- Storyboard/Slidehow icons:** A green box highlights the "Story" and "Show" icons with the text "storyboard/ sidehow".
- Change Pages icons:** A green box highlights the "Back" and "Next" icons with the text "change pages".
- Log Out icon:** A green box highlights the log out icon with the text "log out".
- Tools palette:** A green box highlights the tools palette with the text "tools always available and options simplified".
- Undo/Redo icons:** A green box highlights the "undo/redo" icons at the bottom of the tools palette.

The "image options dialog" window shows a search bar "Find an image" and categories: Stickers, Picas4Learning, Camera, and Computer. It displays a grid of image options including "ABC", "Animals", "Art", "Books", "Buildings", "Cartoon", "Color Words", "Community", "Culture", "Dressup", "Election", "Emoji", "Furniture", "Houses", "Nature", "People", "Plants", "Shapes", "Sports", "Transportation", and "Weather".
