Now in its twenty-second year of business, MultiState Associates Inc. has earned a reputation as the nation's leading state and local government relations management company. MultiState is the largest single retainer of state and local lobbyists, and our experience, expertise, and unique network of over 2,000 on-site lobbyists translates into the most effective and cost-efficient way to meet your legislative, regulatory, and government procurement needs all across America.

More than 200 companies, trade and professional associations, and *ad hoc* coalitions currently retain MultiState to optimize their public policy efforts. MultiState clients utilize combinations of the following complementary core services: legislative and executive branch lobbying; on-the-ground monitoring; state and local legislative and regulatory tracking; political, statutory, and regulatory research; government procurement strategy, lobbying, and bid support; coalition management; and consulting.
