NATIONAL RETIREMENT LIVING AWARDS 2018 FINALISTS

Retirement village industry leaders, innovations and projects have been recognised among finalists for the National Retirement Living Awards 2018.

There are now more than 3.7 million Australians aged 65 and over, and retirement villages are an essential part of the housing choices for older Australians. Currently, around 300,000 Australians live in around 3,000 retirement villages.

The National Retirement Living Awards recognise the contribution and achievements across all areas of the retirement living sector, by the people and companies helping ensure senior Australians have an enjoyable retirement.

The national winners will be announced at the National Retirement Living Awards Gala Dinner in Canberra on 29 November 2018. State and Territory winners for Village Manager of the Year will be announced in the lead up to the national awards.
