*The Leader in Pharmacy Point-of-Sale Innovation*

## Successful pharmacies rely on RMS systems.

More independent pharmacies choose RMS POS systems than any other — for profitability, efficiency, and reliability.

### Whatever the size of your pharmacy, we have you covered.

Retail Management Solutions has become synonymous with innovative technologies to drive revenue, improve patient outcomes, and increase profits. With our solutions, our customers are enjoying capabilities like our portable POS, EvolutionPOSv2, EMV card acceptance, mobile payments options like ApplePay, and nutrient depletion warnings at the register. With interfaces to over 25 different Rx systems, EDI ordering with most drug wholesalers, and flexibility to work with multiple credit card processors, customers tell us over and over we are the easiest company in the industry to work with.

Our trainers and support staff understand the pharmacy environment, because that's all we deal with. When you call our 24/7 toll-free support line, your support representative knows about the pharmacy industry and understands the environment in which you are working.

RMS has scalable solutions that meet your needs, whether you own a single-register apothecary, a 15-register superstore, or multiple locations.

Contact us today so we can discuss your needs and see how our solutions can make you the most profitable and customer-centric in the industry.
