Student Pick Up After School

For brief windows of time, the ML parking lot/car line can have instances where cars are backed up onto 76th Street, waiting to pick up a student(s) in front of the building. This is an obviously unsafe circumstance for students and families. In an attempt to alleviate this concern, feel free to pick up your student in the parking lot at one of the doors along the north side of the building. Please make your student aware of this pick up location. If even a small number of parents choose this student pick up strategy, we would greatly minimize the risk of one or more of our families being struck while waiting on 76th Street. Thank you!

Dear Parent/Guardian and Student-Athlete,

I hope that this information finds you and your family enjoying a fun and restful summer! The information in this letter will share the **UPDATED ATHLETIC REGISTRATION** process and **REQUIREMENTS** at Martin Luther High School for the 2018-2019 school year. All athletic registration is **REQUIRED** to be done online and all info can be found at www.martinlutherathletics.org.

1. **2018-2019 Athletic Code Parent/Athlete Information Video and Verification Quiz**

In an effort to respect your time, there will no longer be separate Fall, Winter or Spring sports meetings at the beginning of each season. In place of these meetings, it will be a **registration requirement** for a parent and student-athlete to watch the **Video** one time per year. Following the viewing of the video, the parent and student-athlete will need to complete a short **10 question video verification quiz**, which will be a requirement to be eligible to participate. The link to the video and quiz can be found under the "athletic registration tab" at www.martinlutherathletics.org.

2. **Online Registration** - www.registermyathlete.com/login/

This new online registration service plans to be more user friendly for families and will allow a more streamlined approach. Find the link under the "athletic registration" tab at www.martinlutherathletics.org.

3. **Pay Athletic Fee** - \$75 per sport (Global Studies students already have this included in tuition)

You may pay online by credit card while registering at Register My Athlete (you will incur a small processing fee), or you may still pay by cash or check in the main office.

You may pay for all sports at once or pay per season.

1. **Participation Physical/Alternate Form**

Print **NEW** form from athletic website and complete. Be sure to check "*Students Not Needing Physicals for 2018-19*" document to see if your child needs a new physical or only needs the *Alternate year* completed.

*You can upload this form to your online registration at Register My Athlete or turn in directly to Ms. Monaghan in the main office.

Registration Opens July 16th! When all the registration requirements are met; Athletic Code Video Verification, online registration, athletic fee and participation physical/alternate form uploaded/turned in, the student-athlete can pick up their **Green Participation Card** in the main office beginning one week prior to the sport season start date. Enjoy the rest of your summer and please call or email us if you have any questions regarding registration or the Fall sports meeting.
