## Reflection Questions

Describe one or two experiences that have contributed to your intellectual/academic development since entering high school. In other words, what happened during high school that really got you excited about learning?

Describe an academic accomplishment you are most proud of.

Describe something unique or special about yourself that could be highlighted in the recommendation. What makes you stand out among your peers?

What do you hope to accomplish in college and beyond?

Describe your strengths (academic, social, personal, skills, qualities...)
