Information: Lake Country Lutheran Thunder is an extension of Lake Country Luther High School and the girls basketball program. Our goal is to prepare grade school players for competition at the high school level. Through practice, tournaments, and other events, we look to teach the game of basketball, while also providing a faith-driven experience. With everything we do we ask everyone to follow Colossians 3:23 “Whatever you do, work at it with all your heart, as working for the lord, not for man”

Currently, Thunder consists of a 5th/6th grade team and a 7th/8th grade which is run in conjunction with our high school program. Players can expect offensive/defensive philosophies, drills and skill development, and a faith-approach that mirrors our high school teams. Thunder players will receive instruction from their own coaches AND high school coaches.

Teams will play 15-20 games throughout the fall and winter which will include tournaments and other weekend games/scrimmages.
