GET THE MOBILE CALENDAR APP!

If you don't have the rschooltoday mobile app to put the LCL calendar on your phone, you will want to add it! The application can be found by searching rschooltoday and finding the "Activity Scheduler". It has a blue hat with RST on the correct app. You will need to Pick Wisconsin, know that we are in the Midwest Classic Conference and then pick our high school. Now all you have to do is click on the app and you will see the LCL schedule for the day! You can also select the athletic schedule you would like to see and it will show that as well.

Winter Sports Registration

If you are planning to participate in any LCL winter sports, please be sure to register and complete the requirements at www.registtermysathlete.com. This includes Basketball, Dance, Wrestling, Boys Swim (Co-op), and Downhill Ski (Co-op). This needs to be done by **October 19th** so our coaches can share important information with all interested athletes and families. If you completed this for a Fall Sport, you do not need to re-register. You simply need to login and make sure you have indicated participation for your winter sport if you did not do it as part of your initial registration.

Potential NCAA College Athletes

A student-athlete must be certified by the NCAA Eligibility Center to compete at an NCAA Division I or II school. A student must also be registered (fee of \$90) with a Certification Account before they can make official visits to a school or sign a National Letter of Intent in Division I or II. If an athlete is currently unsure which division they want to compete in or plan to compete at a Division III school, they should create a Profile Page. Creating a Profile Page is free. If at any time they wish to play at the Division I or II level, they can transition to a Certification Account and pay the registration fee to begin the certification process. For more information, please visit the NCAA website: <https://web3.ncaa.org/ecwr3/>
