#### GET THE MOBILE CALENDAR APP!

If you don't have the rschooltoday mobile app to put the LCL calendar on your phone, you will want to add it! The application can be found by searching rschooltoday and finding the "Activity Scheduler". It has a blue hat with RST on the correct app. You will need to Pick Wisconsin, know that we are in the Midwest Classic Conference and then pick our high school. Now all you have to do is click on the app and you will see the LCL schedule for the day! You can also select the athletic schedule you would like to see and it will show that as well.
