School and Community

Lake Country Lutheran High School (LCLHS) is a comprehensive, parochial, 4-year high school accredited by AdvancEd. LCLHS moved into its permanent facility in February of 2009 after ten years of renting spaces in the Lake Country area. The state of the art school building contains classrooms, three science labs, a computer lab, music rooms, athletic locker rooms, the Great Hall student center and an extra-large Gymnasium with a capacity for 1200 spectators. The beautiful 100 acre campus has outdoor practice facilities as well as competition fields for soccer, softball, baseball, football and cross country.

Mission Statement

The Lutheran High School Association of Greater Milwaukee is a group of premier schools dedicated to sharing Jesus and developing future leaders by providing relevant, rigorous academics and life preparation from a Christian worldview.

Spirituality

This is the most important aspect of our school and what makes us unique among all schools in the Lake Country area. Our philosophy of nurturing all aspects of our students' lives (spiritual, academic, social, emotional, and physical) is permeated by the ethics, morals, and standards of the Bible. We seek to enhance and instill Godly principles into our students' lives throughout all programs and activities.

Faculty and Staff

Of the 19 full-time faculty, over 50% have Masters degrees. The teacher/student ratio is 1/18 and counselor/student ratio is 1/375. Average class size is 22.6 students.

Class Rank

We believe that a student should be academically evaluated based upon courses taken, grade point average, and national test scores. Class rankings are neither nationally nor locally criterion-referenced. Because schools have different academic environments and curricula, ranking students is not an accurate means of comparison: therefore, Board policy states that students are not ranked by grade point average.

Co-Curricular Activities

More than 80% of the student body participates in at least 1 of the 17 sports (22 varsity teams) and/or 14 clubs or organizations. LCLHS is a member of the Midwest Classic Conference and Wisconsin Interscholastic Athletic Association.
