Leadership Development

WHAT

Wisconsin Culture

WHERE

WELCOME TO MILWAUKEE!

Located just 90 miles north of Chicago, Milwaukee sits on the shores of the second largest lake in North America - beautiful Lake Michigan. It is the largest city and lake port in Wisconsin. This is a friendly, clean, well-distributed city filled with the charm of the Midwestern United States. The city's convenient transportation and unique scenery bring together historic and modern architecture, a wide variety of hotels, nationally renowned restaurants, and vibrant neighborhoods. The scenic riverside walkway runs through the city's attractions, and the famous cultural festivals are enjoyed throughout the entire summer.
