

# To All Our Patients Regarding COVID-19

## Coronavirus Preparedness

The Doctors and Staff at Florida Ear and Sinus Center are very concerned with the health of their patients, especially during this Coronavirus pandemic.

Please review the following steps our office has implemented for your safety during this pandemic.

Before coming to the office please read notice in entirety:

- Out of an abundance of caution, if you have been ill or have had exposure to an ill person in the past 3 WEEKS please do not enter the building and call to reschedule your appointment (941.366.9222).
- Florida Ear and Sinus Center has implemented Telehealth Medicine. This means the Doctors will be able to visit with you via Video and Phone.
- Medicare, Medicare Advantage and other commercial payers that we contract with will cover certain services. A copay will be required by your insurance company.
- A waiver will need to be signed by each patient before video conferencing.

If you have the following symptoms:

- Fever
- Cough
- Shortness of Breath

Please call your primary care physician or Sarasota Memorial Hotline at 941-917-8799 or 941-262-4000 to get further medical advice.

Thank you for your understanding and support in keeping our patients, families and team healthy! We will continue to keep you updated please make sure your contact information is up to date.
