The screenshot displays the TransACT ParentNotices Collections™ interface. At the top, there's a blue header with the title "ParentNotices Collections™" and a user profile for "Dave Jones" with a notification badge showing "71". Below the header, there's a search bar with the placeholder "Search for a Notice or Collection" and a "Filter by" dropdown set to "All". A list of collections is shown on the left, including "Accountability", "Migrant Education", "Evaluation, Performance, Placement & IEP", "Gifted Education", and "Parent Involvement - EL". Under "Parent Involvement - EL", several documents are listed, such as "English Language Development Program Meeting Sign-in Sheet", "Notice of Parent Meeting for English Learner - Student At-Risk", "Notice of Parent Meeting for English Learners - A", "Parent Informed Consent for English Learner Field Trip", and "Notice of Parent Meeting for English Learners - B". The right pane shows a detailed view of a notice, including a "Date:" field, a "Dear Parent/Guardian(s):" salutation, and a description of the English Language Development Program teaching staff's invitation to a conference. It also includes a "Notice Information" section with a "Description" and "When to Use" instructions.
