

# Intimate Care

When you file the Admission Health History, BH: Health History Assessment or the Quickstart in OB/LD/PP, you will be taken to OM to enter the **Intimate care** order details. A query link from the **Health history** in Nursing/Surgery/Behavioral health or from the **Quickstart** for OB/LD/PP has been set up to trigger an order to clarify the patient wishes related to Intimate Care. Enter the providers mnemonic and use the source of 'Z'. This step is no different than entering any other order. The details of the order

| Orders   | Pri | Start/Service | Series | Directions | Qty | Details    |

On the status board there is now a column for Intimate care answers. The 1st answer (Y/N) is displayed. The 2nd answer is also there, but needs to be clicked on to see the entire comment.

The status boards for PT/OT/RT and Behavioral health have also been updated.
