

CPN – Gulf Coast Division (Tomball, Cypress Fairbanks, Northwest, and Park Plaza)

A few differences for the above listed Houston Women’s Services CPN

Discharge is a Menu Button at the top of the screen

Mother-Baby Link can **ONLY** be completed once the infant is born and Registration has admitted the infant and put them in a bed in Meditech.

Care Plan is in the Form format (Not the chart with the pencil)

Labor Summary Prior documented events will display, but not recall in the Labor Summary.
