

## Kimberley Family Pack Offer

### The Kimberley Family Package has a \$1,500 rebate

We just love young families at Kimberley. Most of us at Kimberley go camping with them and we know the traps and tricks needed for a great family package. So we have had put together a special package for families.

Most importantly we have put together a special price for this package with \$1,500 discount which can be applied for all the Kimberley Kamper models.

This will be just on 1,000 kgs tare weight. Fully loaded with the water in both tanks and all your gear, you will be under 1500kgs. This suits nearly all the SUVs and 4WD's.

### This package includes:

- **Rear Bedroom:** Large rear bedroom zips on the rear. This sleeps up to 3 children and comes with a second layer fly for coolness.
- **Delta Aeropod:** 330L Storage Pod for the top .The aerodynamic shape is great for bulky items like camping chairs, canvas items.
- **Dual Water Tanks:** Dual poly water tanks with stone shielding. Front tank 70L and Rear tank 120L. Includes a dual readout display so you always know how much water you have left.
- **Visiflow Hot Water System:** Hot water at the sink and external shower from on-board water tank and you can pump from stream or Billabong
- **Drawbar Extension:** Extended drawbar allows close to 90 degrees reverse turns and allows easier access to the rear of your vehicle.
- **Mariner Coil Spring\* Suspension for heavier loads:** Coil springs for a smooth ride with heavier loads.

\* Classic & Special Edition Only

**Total Family Pack Price on Classic Model is \$4,510 before discount, \$3,010 after discount.**

**The price is less on other models**

**Plus it comes as standard with the:**

- **1500L Delta front pantry box** accessible by all the family members
- **Master Locking Kitchen:** Slide out stainless steel kitchen with 2 utensil compartments, 4 drawers, LED light at sink and underneath.
- **Vertical Pantry and Dash:** Stainless steel pantry. Lower shelf ideal for sauce bottles, oil bottles and other cooking condiments and items. Top portion contains Control Dash with switching for LED lights, pumps etc. 12V Narva-style outlet and battery/water displays.
- **Wheel and Tyre Allowance:** Allows customers to choose their own wheels and tyres. However, if the default is chosen, Kimberley can supply steel 16inch wheels and 265/75 R16 tyres within this allowance.

## Other Options for Family

### Easy Access Upright Fridge:

- 85L with separate ice making freezer

### 12L Freezer/Fridge:

- Compact unit that uses only 50% of the power of most fridges using a new high tech compact danfoss compressor. This unit is perfect for kids to store their drinks without disturbing the main fridge. Alternatively load up with some frozen food as you pass through a town

### Large Dual pantry on Drivers side:

- This large pantry drawer pulls all the way out with locking slides. On the tray below sits the freezer.

## Why is this perfect for families?

### **Families need Maximum Storage**

- Easy to use Master Kitchen
- Easy to load and store in the Aeropod storage
- Easy access to gullwing and drivers side
- Access under-bed storage when Kamper closed!
- Optional 85L upright fridge at the kitchen side.
- Optional portable 12L freezer/fridge at the driver side can be dropped into 4WD for day trip
- Kayaks, canoes, kids bikes can be loaded

### **Families need at least 2 bedrooms:**

- Second bedroom has large mesh window, its own canvas window, tropical roof over the top.

### **Families need lots of water and hot water on demand:**

- Ease to shower the kids with hot water available in only a few minutes
- Easy to wash and clean up with the hot water in the sink and on the other side
- Diesel tank will last for months at a time

### **Parents need a comfortable bed to crash into at night:**

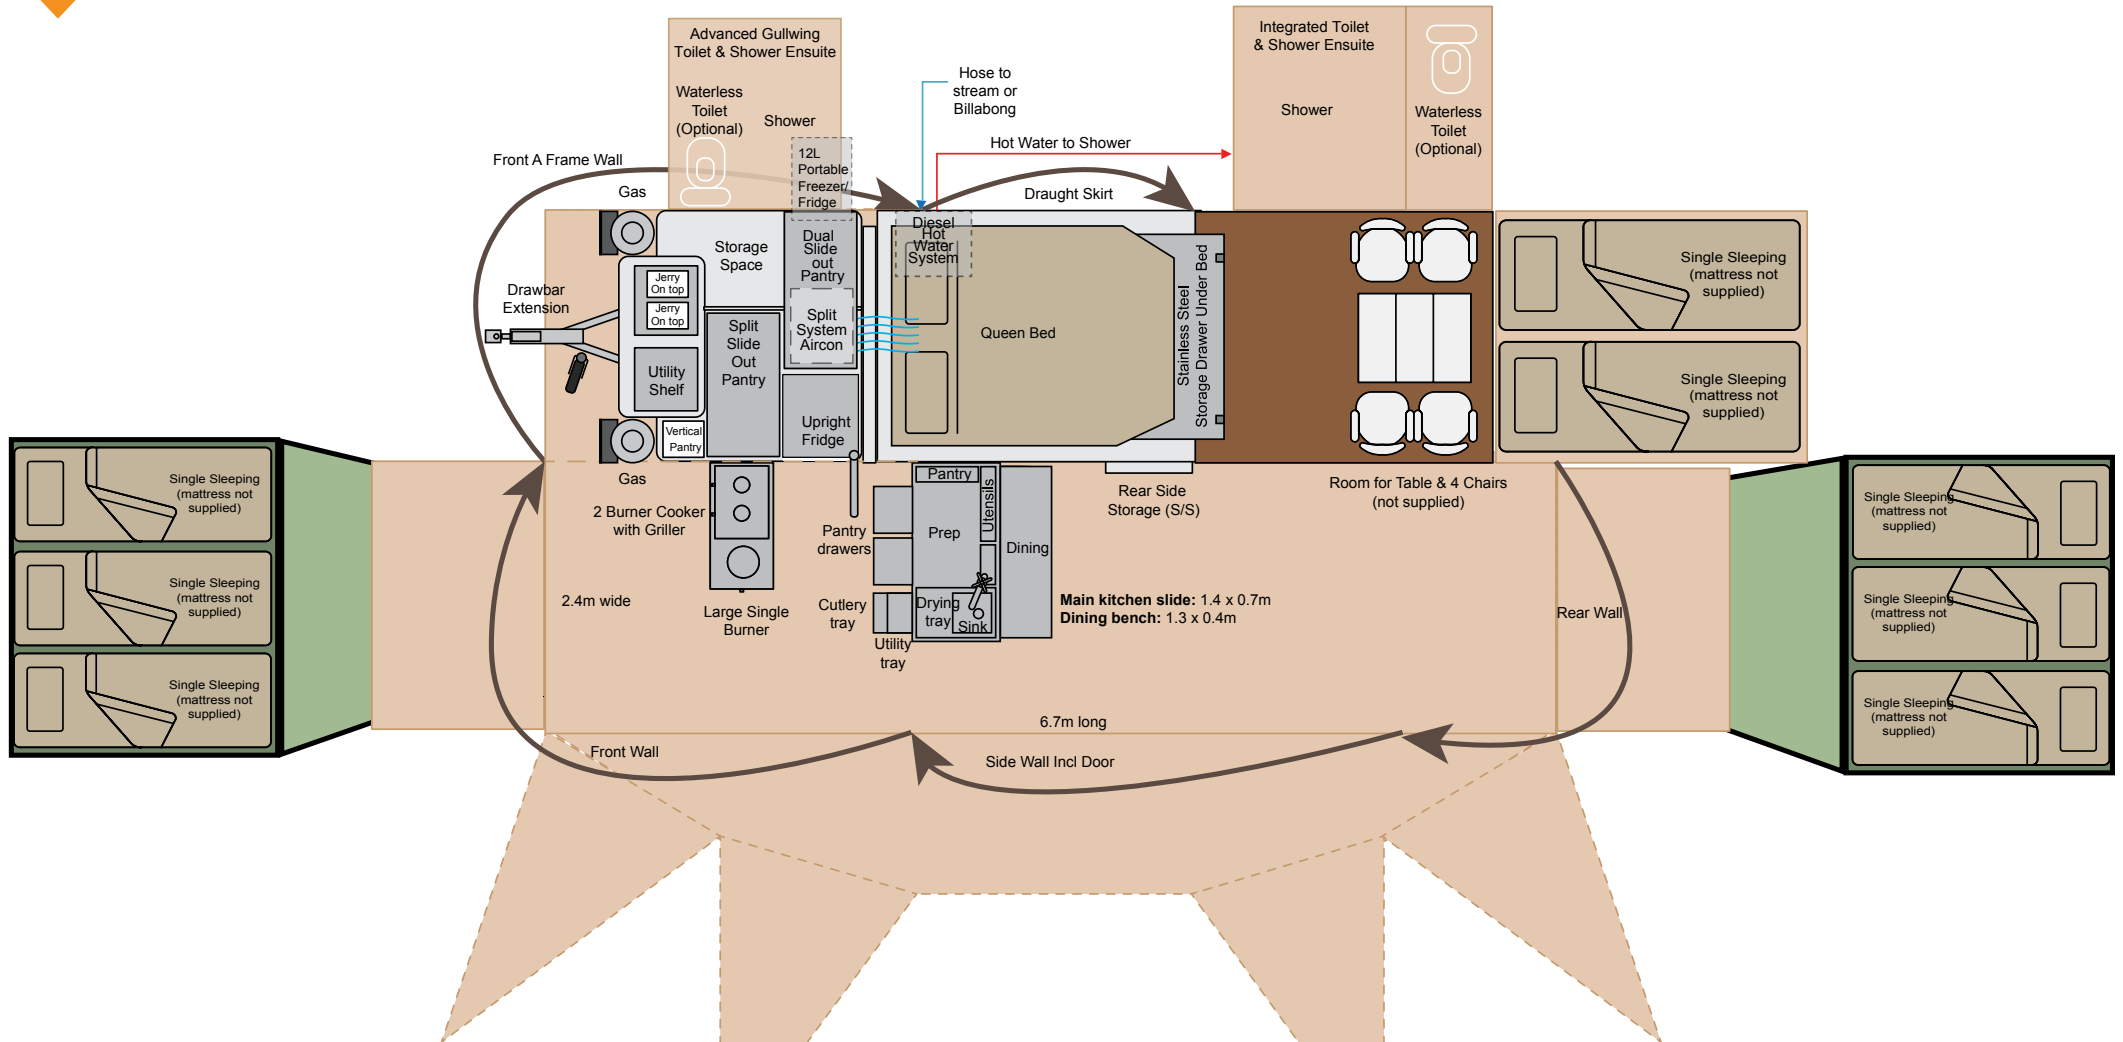

- Dual layer foam mattress: high density "Enduro" foam base and a bonded "Luxura" memory foam upper.
- Mattress is 2m long and 1.6m wide
- Access to the bed is from the end so there is no need to climb over your partner

### **Families demand that the kamper be setup quickly and easily:**

- Open the Kamper in a minute and ask family members to help you. In fact most junior member over 12 years old can fully open the kamper safely!
- Add the second bedroom in a minute or two. Another job easily done by most junior members over 12 years old!

### **Families need a great kitchen that makes it safe and easy to work in:**

- The food prep area is separate from the cooking area
- The U shape kitchen means the family can easily be on the other side to the cook of the master kitchen as food is served and presented.
- The new front pantry drawer can be loaded with treats and items that all family members love and be out of harms way.
- The cooker is easily connected to the gas without hoses in the way
- The large stainless steel sink is easily accessible while the cook is busy so the cleaning up can be done at the same time as the cooking without tripping over each other

### Want to treat all the extended family to a long holiday:

This Kamper will accept the ultra-light Bedouin Awning with complete mesh walls & draught skirt. This awning is big enough for a party of 10 comfortably. Better still, you can set this up in less than 15 minutes. Even better still you can store the awning and walls and skirt in the aero-pod comfortably. This awning is designed to “dock” anyone’s 2-3 man tent on the sides. So ask the extended family (up to 10 people) to bring their own tents and they can join your kamper and use the hot water and shower.
