

Log-in Quick Start Guide

1. Go to app.memberhub.gives
2. Create an account with the same email address that you use for MemberHub.
3. Select **Register your organization** on the Start Guide.

4. Have your EIN ready! We're using an IRS database for now.

The screenshot shows a search input field with the placeholder text "Find your Organization by name or EIN" and a small information icon. Below the input field, the text "12-212121" is entered. At the bottom of the field, there is a checkbox and the text "I couldn't find the organization - I want to add it".

5. For the verify step, **choose the third option and you'll be automatically accepted.**

PTAs, please choose the third option for now. You will be auto-approved.

Help us verify that you're authorized to set up this organization (choose one)

- Enter your work email address from the organization's domain
- Provide a link to where you're listed on the organization's website
- Verify by providing another form of authorization
