

Oct 2, 2018.

A short extension for filing the proposal is granted until October 11, 2018. The company is acting in good faith and with due diligence, no creditor will be prejudiced by this and the proposal trustee supports the short extension (Sections 50.4(7)(b)(ii) and 50.4(9) of the BIA). The matter is adjourned to me at 9:30 am on October 11, 2018.
