

A 3-Minute Guide to Starting Up Your Audio System for the New School Year

As you make your way back into your classroom, we want to help you ensure that your Lightspeed Audio System is in tip-top shape on the first day of school.

- 1**
Unpack your Lightspeed System from Storage.
- 2**
Check the code on back of each component to make sure they match.
- 3**
Connect power cables and make sure that all connections are tight.

- 4**
Turn on your Lightspeed system.
- 5**
Double-check to **confirm that the batteries match the microphone.** (Need new batteries? [Click here!](#))
- 6**
Fully charge microphone batteries overnight before the first day of school.

- 7**
Use a working microphone to **test and adjust system volume.**
- 8**
Start talking! Your system is now ready to use.
