

# LIQUIFLOC 1%

## NATURAL FLOCCULANT

### Description

**HaloKlear LiquiFloc 1%** is formulated from natural flocculants. The patented design and concentrated formula delivers superior and consistent performance and is 100% biodegradable through enzymatic activity preventing bioaccumulation. **LiquiFloc 1%** has been tested and approved to WQA Std. 60 for drinking water and has earned a General Use Level Designation (GULD) from the State of Washington Department of Ecology. **LiquiFloc 1%** can be used as a standalone product or in conjunction with HaloKlear DBP-2100 or LBP-2101 as part of the Dual Product System. It is ideal for cold climate applications where maintaining optimal viscosity is extremely important and is a practical solution for dosing smaller volumes of water.

### Industry Applications

- Stormwater management
- Construction
- Environmental Remediation

### Deployment Method

**LiquiFloc 1%** is typically deployed using metering pumps. **LiquiFloc 1%** can be applied using several delivery methods, including semi-passive and active systems.

### Packaging

Lot Number must be legible on each container. Container types: 275-gallon IBC tote with camlock or threaded outlet or 55-gallon drum.

### Handling and Storage

All containers must be free of leaks, damage, and gross contamination. Product should be maintained between 40°F and 90°F. Keep from freezing. Keep out of direct sunlight.

### Product Benefits

- **Tested & Approved to Standard 60 for Drinking Water Treatment**
- **Optimal for Cold Climate Applications**
- **Practical Solution for Dosing Smaller Volumes of Water**
- **Use Alone or as Part of the HaloKlear Dual Product System (DPS)**

### Product Properties

Appearance	A clear pale amber, viscous liquid with a pungent odor of vinegar
Viscosity	800 – 2000 cps
Specific Density	1.0 g/mL
pH	<4.5
LC50 fish 1	173 mg/l Rainbow Trout

### Field Handling Recommendations

Check with your federal, state and local environmental regulators for rules and regulations regarding the use of this product. For more information, contact your Dober representative.

### Safety Data

Before handling this material read the corresponding Material Safety Data Sheet for safety and health data.
