

# SSCOR TRANSPORTER

## It's a SNAP!

Portable suction is now easily accessible  
at the patient's side during transport.

Now, conveniently  
transport and ambulate  
with suction!

Designed to attach to  
virtually all hospital beds  
and gurneys with heavy  
duty 2 inch hooks!

Keeps suction accessible  
but out of the way!

Attaches to the device  
easily and quickly with  
three snaps!

Easy to clean!
