# BAUSCHER

GERMANY

Bauscher has a long history of loyalty. They are loyal to their brand, loyal to their process, and loyal to their customers. As the original creator of the professional porcelain product category, they've made the Porcelain of Tomorrow Since 1881.

  
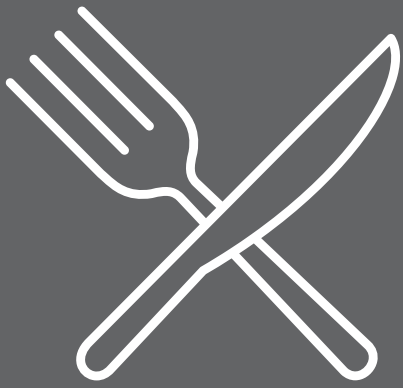

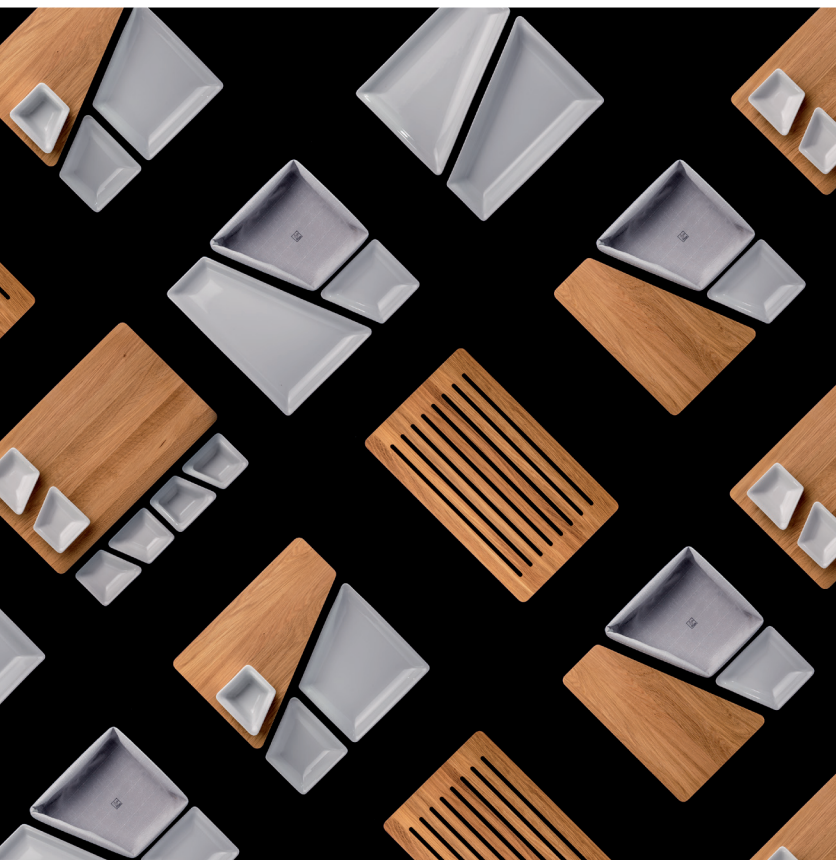

**TAFELSTERN**  
 professional porcelain

Tafelstern is a modern, forward-thinking brand that offers modular systems that give you the freedom to select the pieces you want. Tafelstern provides ideal solutions for a wide range of table cultures and occasions.

Founded in 1863, Hepp is the inventor of professional cutlery and hollowware. They rank among the most important suppliers of tableware in the world, and their full range of products can be found across the globe. In addition to their beautiful, timeless designs, Hepp is also known for new and eye-catching styles, giving them the front row where classical meets modern.

In their 160+ years of existence, WMF invented more than just the stainless steel that is used in foodservice equipment throughout the industry. From preparing and cooking to dining and drinking, WMF's stylish and creative designs bring good ideas to life. With WMF, expect pleasure.

*Luigi Bormioli*  
ITALY

Following timeless tradition and generations, Luigi Bormioli has carried on the family's legacy and evolved the art of glassmaking to today's fusion of artistry and high-tech expertise.

Vidivi (Vetri delle Venezie) is a leading Italian company specializing in high-tech, high-definition glass. They offer a comprehensive range of stackable solutions, including their beautiful tumblers with sizes made specifically for cocktails. They also provide an extensive range of service pieces including plates, bowls, chargers, and trays.

# PLAYGROUND

Playground invites you to mix, match, and experiment with your tabletop. Choose from a broad palette of inspirations to set the stage for your cuisine. Awaken your culinary display with exciting stoneware pieces and mixed material accessories inspired by every corner of the world and exclusively designed with you in mind.

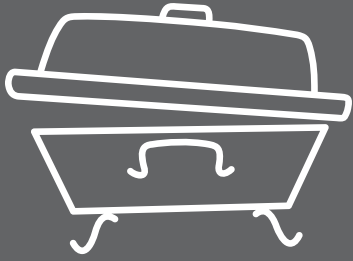

High-grade porcelain dinnerware doesn't have to mean boring. Engage your customers with emotionally playful characters who provide bashful smiles, sheepish grins, and even display some attitude once in a while. Liven up your guest's experience with Tassen's playfulness and attention to detail that's both fun and functional.

mogogo  
BUFFET SOLUTIONS

Mogogo is an international brand, born from an interdisciplinary passion for design and food; a common vision to re-imagine and manufacture Food and Beverage Furniture for the fascinating world of Hospitality.

## Benefits

- Linenless
- Modular
- Mobile
- Sustainable
- Add Ons

When the head chef of a catering company decided the differentiating factor between competing caterers is actually design and presentation rather than food, he set out to find the perfect foodservice serving solutions. When he realized they didn't exist, he met a world-class product designer. Together, they created Mogogo, a full range of functional, highly practical solutions that consider all factors in cooking, service, operations, and storage. Mogogo is impeccably designed, right down to the smallest of details.

High innovative drive, strong concepts, a keen sense for color, and decades of experience – that's what EMSA stands for.

# Silit

Since the Silit brand was introduced in 1920, they have been developing products that make cooking a simpler, more beautiful, quicker, and more sustainable experience.

## ORIGINAL KAISER

More than 90 years' experience as well as high-quality products form the basis for a unique product portfolio that can help you navigate through everything from simple muffin recipes to complicated cake creations.
