

## New Collection from BauscherHepp: Purity Pearls

*RALEIGH, NC* – May 1, 2016 – BauscherHepp has introduced new items to its Noble China porcelain. Purity Pearls, available in light and dark, is covered with a slightly raised pattern that engages the senses.

Purity Pearls expands BauscherHepp's current Purity collection, a modern classic range with soft, flowing lines that promise a graceful and dignified presence on any tabletop. Porcelain from Purity can be combined with the coupe plates in Purity Pearls to create an exciting visual presentation. Use a singular shade or mix and match for a truly custom look.

The coupe plates in the Purity Pearls range are available in sizes ranging from 6.4 inches to 12.2 inches.

As part of the Noble China offering from BauscherHepp, Purity Pearls is not just beautiful, it's also durable and strong. Fired at a temperature of 2550°F, all pieces within Noble China are extremely resistant to chipping and glaze damage. This collection is ideal for daily use.

BauscherHepp, Inc. will introduce this new collection at the National Restaurant Association tradeshow at the McCormick place in Chicago, IL May 21-24, 2016. Located in the North Hall at booth number 5815, BauscherHepp, Inc. will boast an impressive display of new products and traditional favorites in the porcelain, glass, and buffet categories at booth 5815, North Hall.
