INTRODUCING... ROMA 1960

A vintage look with contemporary flair.
Now at 20% off.

- Nearly 60 years ago, the world convened in Rome for the Summer Olympic Games. It was a golden time in the Eternal City, embodied by the mid-century feel and name of Luigi Bormioli's new collection: Roma 1960.
- Though vintage by nature, this line includes the same innovations that you've come to expect from Luigi Bormioli, including ultra-clear SON.hyx glass and stems that are treated with titanium.
- Square-cut optics give a bejeweled effect to the entire collection of glasses ranging from tumblers to a martini and margarita glass.
