- N** Pieces highlighted by this logo indicates a new item
- 36** Pieces highlighted by this logo indicates the amount in a case pack
-  Pieces highlighted by this logo are part of our modular cup and saucer program which allow infinite opportunities to customize your tabletop with European white hard porcelain
-  Lid chilled in freezer for 6-8 hours will hold for 6-8 hours
-  Lid is heat-safe up to 320°
-  Lid is heat-safe up to 464°

We've designed our Touch Free concept to present food beautifully and hygienically.

Streamline the serving process with pre-plated meals on premium German porcelain. It's no coincidence that porcelain has always been the choice for food service. Its ability to withstand the rigors of catering makes it perfect for professional applications.

Lowers food costs and waste by giving you more control of portions

Lids are textured to disguise wear marks

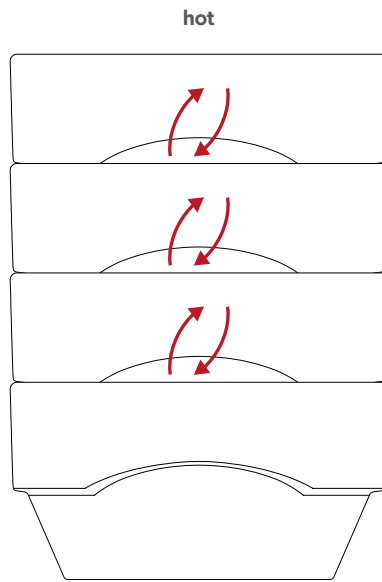

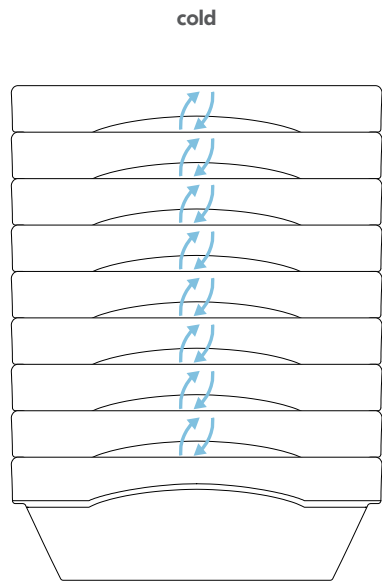

Peak performance
every day

- **Storage:** Designed with stackability in mind to save space
- **Kitchen:** Food can be pre-plated, stored on trays, re-thermalized, and then put into service on the same trays
- **Distribution:** Porcelain retains heat for optimal temperature maintenance over long distances with properly fitting, stable plastic lids for first-class hygienic protection
- **Dishwashing:** Smooth, easy-to-clean surfaces with an extra-hard glaze that resists scratching and chipping

airflow

The curved recess grips create a narrow vent in the stacking edge when stacked. This allows an easier air exchange and supports **faster heating, cooling, and drying** while in storage.

= air exchange

ensures fast drying

easy grip

striking aesthetic goes hand-in-hand with function and ergonomic design

beverage service

easy clean

Designed for one-handed use, the comfortable Easy Clean vacuum jug lives up to its name. Dishwasher safe, the contemporary design offers many benefits including the quick tip closure, preventing unwanted spills. 100% leak-proof, the high quality glass liner provides excellent insulation, keeping hot beverages hot for 12 hours and cold beverages cold for 24 hours.
