

# unit packing

## other solutions

By providing high quality brands from in-house, we eliminate additional transportation costs as well as the markup of a third party pick-and-pack service provider. High quality solutions consistent with your brand can be offered competitively. By reducing freight, this solution is also better for the environment.

## details...

They're the little things that make the big things special. We're here to help you with the small but important details that create exceptional experiences for you and your guests with unit packing - procured, consolidated, and repacked into easy-to-manage kits that are tailored to your needs.

Our products, known at resorts around the world, are able to cover all of your needs. Even better, as the manufacturer and distributor, we are able to provide:

- Brands recognized for high quality
- Comprehensive solutions for kitchen to table
- Quick and assured resupply
