

See What You're Missing

Grokker's patented solution offers what no ordinary wellness platform can: thousands of proprietary HD videos available globally on any device, supported by a community where employees engage with experts and motivate each other. Whether you're launching a new wellbeing initiative or augmenting an existing platform with Grokker's exclusive content, our flexible solution will inspire your employees and deliver results.

Large enterprise companies come to Grokker to augment an existing platform investment with a wide variety of wellbeing video to improve user engagement. — Grokker quickly and inexpensively integrates to provide employees the the personalized, holistic wellbeing content that was previously missing. In addition, Grokker's online community lets program participants be as social (or as anonymous) as they want to be, while challenge, incentive and motivational elements improve adoption and participation.

Companies just launching a new wellbeing component to their benefits program choose Grokker for its effective, easy-to-manage platform. Along with personalized, holistic content, companies can launch their new wellbeing program and go live within 30 days at a much lower price point than a platform, with low HR team overhead.

Your Virtual Wellbeing Team

Let Grokker's support team do the heavy lifting and take the work out of workplace wellness by guiding you from planning to launch and into your future:

Fast and effective launches – Get your programs and promotions up and running quickly without internal IT or other technical resources

Dedicated customer service – Our customer success team works with you throughout the year to make sure that your wellbeing program caters to your whole workforce and inspires your teams on their wellbeing journey

Personalized annual wellness calendar – We'll deliver monthly programs tailored specifically to your workforce a year in advance

Communications to employees – Our Communications Toolkit makes it easy with fresh monthly emails and blog posts written from you to your workforce

Challenge and incentive planning and execution – From gamification and competition to rewards and reminders, we'll plan and execute a full suite of motivational activities designed to positively encourage your employees to take action and inspire them to make real change.

Onsite presence – We'll join you onsite at wellness fairs and other internal events to raise awareness, promote your program's benefits, and drive participation.
